Why Lumiparts

We believe in global passion for people, entrepreneurship and adventure. Discover how Lumiparts can highlight your passion, with flexible, tailor-made lighting solutions. Together, we are mastering the needs of lighting!

Flexible

Our flexibility and large stock in the Netherlands ensure that we are always nearby with suitable solutions for your project.

Personal

We offer customer-oriented, tailor-made lighting advice to make both customers and projects shine.

Craftsmanship

We guarantee top-notch quality and craftsmanship. Every fixture undergoes rigorous testing in our light lab, and our team is ready to fulfill all your specific requests at our in-house assembly department in Nieuwkoop.

What are the advantages?

- ✓ Quick to integrate with Dialux
- ✓ Smart lighting with Casambi and Dali
- ✓ Light as guidance and experience
- ✓ Product demo boxes
- ✓ Customized products
